Overall Technical Assessment

DSA Level:
Advanced Problem Solver

Placement Readiness:
Developing (61.33%)

Strongest Areas:

- Arrays
- Strings
- Hash Tables

Needs Improvement:

- Contest Rating

Overall Remark:
The student shows good progress. Improving advanced DSA topics, contest performance, and technical projects will significantly enhance placement readiness.

NEXT RECOMMENDED MILESTONES

- Solve 3 more problems to reach the 400 benchmark.
- Increase LeetCode Contest Rating to 1500+ by participating consistently.
- Complete at least one additional technical project with a live URL.
- Participate in at least one verified technical hackathon.
